CREATIVE ARTS AT BRIO

Brio Studios Creative Arts Studio Artist is a program for Girl Scouts that just aged out of a Preschool program to children up to 6th grade. Teachers will use both process-art experiences where value is placed on every piece being unique to each artist, as well as teacher-guided art experiences where emphasis is placed on learning art technique, vocabulary, and history. We focus on the making and the doing rather than the finished product, and children come home with artwork they feel really proud of. Artists will work with many unique supplies to create their unique pieces of work.

Girl Scouts do not need to be an expert, just bring your creativity with! During this hands-on class, Girl Scouts will work with a variety of mediums such as **oil pastels water colors, charcoal and acrylic paints**. Building Girl Scouts confidence through our drawing and painting classes is our goal. We love our Girl Scouts to feel confident creating independently, the sky's the limit to what they can create!

Creative arts classes are held at our Creative Arts building located at 2835 N Brookfield Road.
