Day Camp: Let's Play!

Are you ready to PLAY at Lakeland Day Camp? Whether it's shooting a bullseye, joining the One Match Club, relaxing at Hammock City or Finding your Zen in Yoga, we are always striving to exceed everyone's expectations. You will build new friendships that can last a lifetime while still keeping the old. We will disconnect from the outside world and enter into the Day Camp environment where you will build your outdoor skills, cook over a fire, enjoy a plethora of craft programs, learn the US Flag etiquette, play music and play and reconnect with nature. So what do you say, are you ready to PLAY with Lakeland Day Camp?!

Volunteer Directors

Nicki “MaMa” Antonneau and Amanda “Ernie” Meiners are your Volunteer Camp Directors. These two have a combined 67 years directly participating in Lakeland Day Camp while not having children in Girl Scouts. They strive to ensure that your camper will have the most amazing experience at camp with many activities that will help with their personal growth, while building their confidence, leadership and team building skills. They have an experienced team of volunteers helping plan and grow Lakeland Day Camp. Much of this team attended Lakeland Day Camp during school as campers and are back as volunteers with their own children, or like MaMa and Ernie without camp aged children. They would love to hear from you with your concerns or questions as well as the positive experiences your family has gained from attending Lakeland Day Camp.
