## My Rallyhood Dashboard

 View Demo

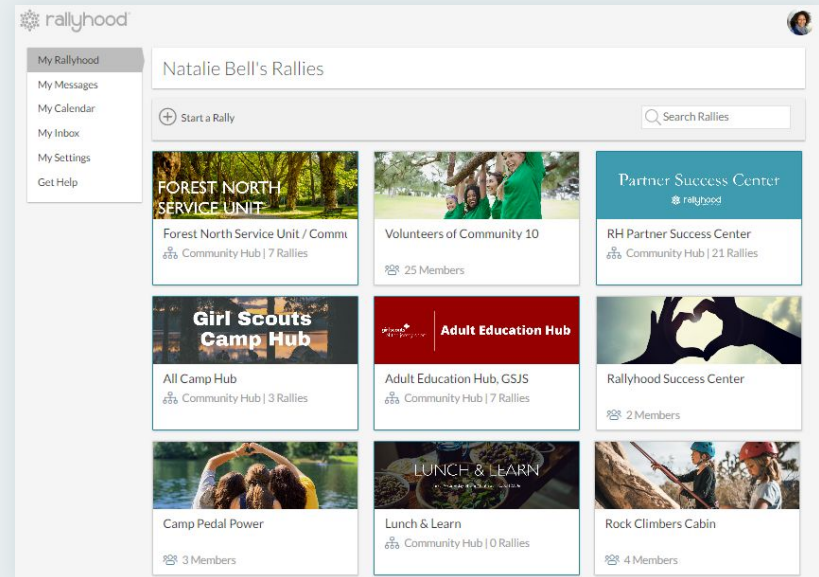

When you log into Rallyhood, you will see your Dashboard — also known as **My Rallyhood**.

Your **My Rallyhood Dashboard** is where all of your groups and their respective Hubs and Rallies come together in one place, making it easy to find the information relevant to you.

The **My Rallyhood Dashboard** is a personalized experience for every user. Each tile represents a Hub or Rally that you have been invited to or opted to join.

Each tile will display either the “**Hub**” icon or the “**Rally**” icon to give users an indication of what they will find when they click on the tile.

The **My Rallyhood Dashboard** can be customized by dragging and dropping Hubs and Rallies into an order to prioritize them in a way that suits individual needs.

## My Rallyhood Dashboard

 View Demo

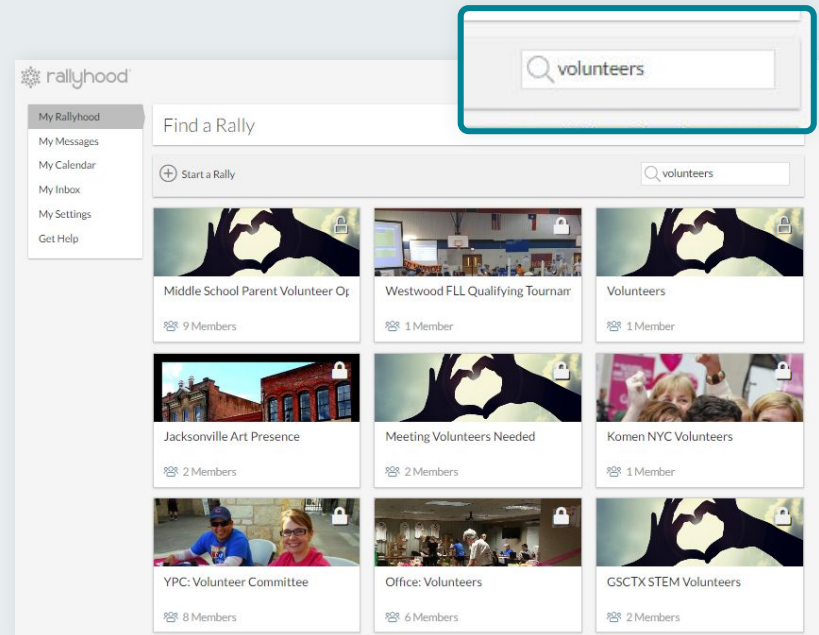

At the top right of the Dashboard is **“Search Rallies.”**

- In this field, users can type in a keyword to search for Hubs and Rallies across the entire Rallyhood platform.
- Hubs and Rallies that are set to “Public” or “Private,” will show in the search results.
- However, if a Hub or Rally is set as “Unlisted,” it will not appear in the search results. In this case, a user would have to be explicitly invited by an Admin to join.

When the search results populate, users can look for the **“Hub”** icon and **“Rally”** icon in the bottom left corner to help with identification. The tiles will also have one of the following icons in the top right corner to aid with identification:

-  Indicates that the Hub or Rally is Private
-  Indicates that the Hub or Rally is Public
-  Indicates that the user is a member of the Hub or Rally

Note that by clicking the **“Rallyhood Logo”** anywhere in the Rallyhood platform, you will return to **My Rallyhood Dashboard**.

# Hub Environment

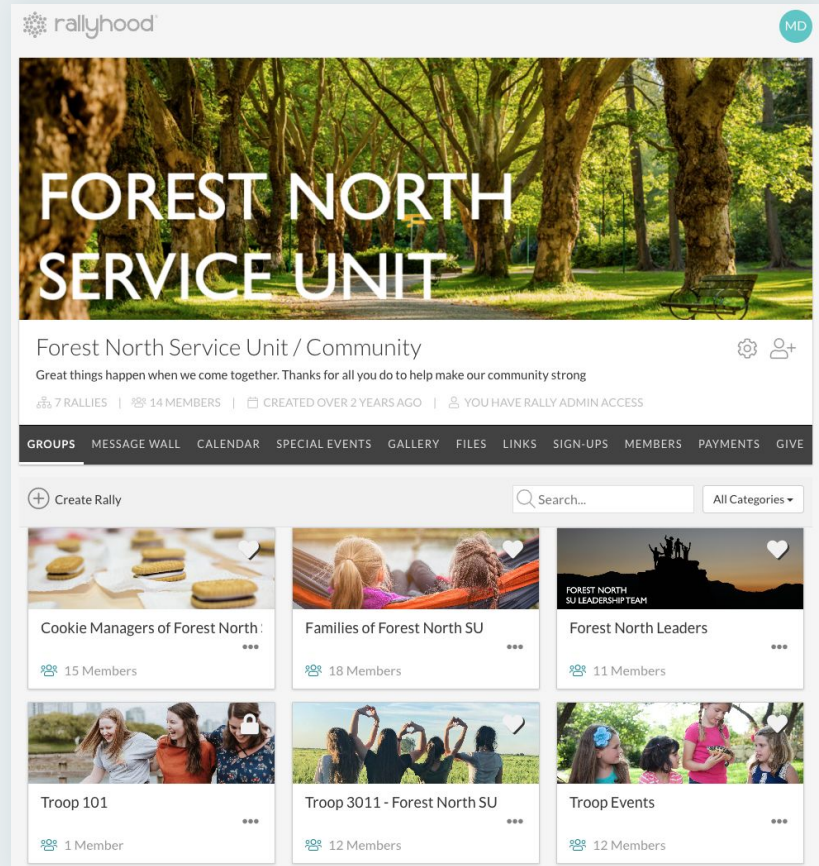

## Hub Overview

A “Hub “ is a way for Admins to manage Rally groups and subgroups that relate to one another, under one umbrella.

On the Hub landing page, a user can see all of the Rallies that are a part of the respective Hub.

Hub Admins are typically an organizational leader or serve in a high-level volunteer position.

Members may be invited to Hubs by an Admin.

Thanks for all you do to help make our community strong". Statistics indicate 7 RALLIES, 14 MEMBERS, and the hub was created over 2 years ago. A notification states "YOU HAVE RALLY ADMIN ACCESS". A navigation bar includes links for GROUPS, MESSAGE WALL, CALENDAR, SPECIAL EVENTS, GALLERY, FILES, LINKS, SIGN-UPS, MEMBERS, PAYMENTS, and GIVE. Below the navigation bar, there is a "Create Rally" button, a search bar, and a dropdown for "All Categories". **COMMUNITY NEWS: Cape Henlopen Feedback?**  
By Marla Schmidt  
May 17, 2021 7:53 PM

Hi GS friends,

Has anyone been to Cape Henlopen? A Troop Leader from another SU who took her troop there and she said they had a great time, but I wanted to hear if anyone else had a similar experience or could share some tips. My Troop is considering a trip there next summer.

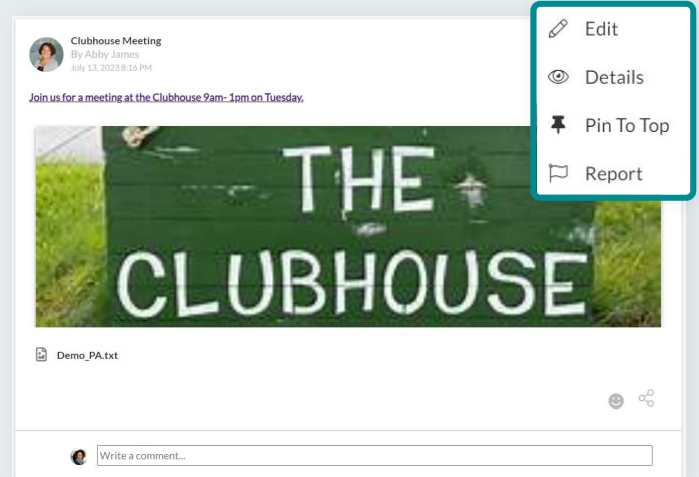

We are specifically interested in hearing about the following:

- How Close the cabins are to the beach
- Things to do
- How to make a reservation
- Who to contact

Thanks!
