Summer Camp

100 Years of Camping – See You in the Summer!

Exploring on adventures, learning new skills, making new friends, developing a deep appreciation for nature, and making lifelong memories. Girl Scouts of Wisconsin Southeast has been doing this for 100 years at summer camp!

We're saying happy 100th birthday to Camp Alice Chester this year with a celebration of all things camp! Whether you're discovering wildlife on a hike, swimming in a lake for the first time, or taking aim during target sports, you're taking part in one of our favorite traditions and in the celebration of a lifetime.

Girl Scout summer camp is a spot to unlock confidence, to have fun in your environment, and to aim as high as the stars you see outside your cabin window.

Let's celebrate!

Who Can Be A Girl Scout

Girls in grades K5-12 throughout southeastern Wisconsin can be Girl Scout members. Individuals who are 18 years or older can also join Girl Scouts as adult members. All members are expected to live by the ideals listed in the Girl Scout Promise and Law—which remind us to be kind to others, respect ourselves, make the world a better place, and so much more.

This Girl Scout membership year is from October 1, 2023 - September 30, 2024. To prioritize the safety for all members, adults who volunteer to work directly with Girl Scouts are **required to be registered Girl Scout members and pass a background check**. Upon registration, members are automatically covered under the basic Girl Scouts of the USA insurance plan.

Girl Scout Membership

\$50 per Girl Scout

All non-Girl Scout members will pay a \$50 membership registration.

Keep the Girl Scout fun going all year long! We can connect you to a troop, or you can join as an Individually Registered Girl Scout (IRG). Need help taking the next step on your Girl Scout journey? Contact us at customercare@gswise.org or call 800-565-4475.

Adult Membership

Camp FAQs

We're here to help!

Do you still have a question about camp? Visit www.gswise.org/summercamp for an expanded FAQ.

Who can attend Girl Scout summer camp?

Summer camp is open to all campers in grades K5-12. Campers who are not members of Girl Scouts will pay an additional \$50 membership registration fee. This allows them to participate in Girl Scout activities through September 30, 2024.

What if my camper has special needs?

We are dedicated to serving all campers and can accommodate accordingly. Contact the camp director to learn how we can work with you to make the camp experience a success.

Are special dietary needs and allergies accommodated?

We do our best to accommodate all special dietary needs and allergies. Please contact the camp director to discuss your camper's needs so we can be prepared at camp.

Can campers attend with a friend?

Yes! Camp Alice Chester Overnight Camp, CampHERO, and GSWISE Day Camp can place campers with buddies. Buddies must be in the same age group and register for the same session. Both buddies should request the other's name during registration.

How is my child kept safe?

Your camper's safety is our #1 priority. We follow state licensing, ACA accreditation, and Girl Scout safety standards which include, but are not limited to:

- Background checks for all adult camp staff and volunteers
- Certified lifeguards, health supervisors, and high-risk activity instructors
- Training for all staff and volunteers to prioritize your camper's physical and emotional well-being

What if my camper gets sick at camp?

Should a camper become ill or injured, the camp staff will administer first aid and follow written procedures given by the camp physician. If a camper's illness or injury is severe, they will be given emergency care at the scene and be transported to the hospital emergency room.

When a camper becomes ill or injured, caregivers will be notified of the camper's condition. In life-threatening situations, treatment may begin before notification, as indicated on the health consent form.

Can campers bring a cell phone?

No. Our camps are unplugged to let campers connect with nature, peers, and themselves. The camp director will contact caregivers if a camper has a medical problem, is excessively homesick, or has an emergency.

Camp FAQs

Visit www.gswise.org/summercamp for an expanded FAQ.

How is weather handled at camp?

Camp activities may change due to weather. If the weather is inclement, campers may not be able to participate in activities that are affected by rain, storms, and extreme heat. In the event of severe weather, campers are safely moved to the designated buildings for shelter and a camp activity takes place to occupy them, such as games, STEM, or badge work.

What if my camper gets homesick?

Being homesick is a completely natural experience and is experienced by all campers on some level. Learning to cope with homesickness is a great life skill to learn, and we are well-equipped to help through this at camp! Staff receive extensive training on how to help campers cope with homesickness. Parents/guardians will be contacted about homesickness when deemed necessary.

How do I access camp confirmations?

For Camp Alice Chester Overnight Camp, CampHERO, and GSWISE Day Camp, confirmations are available in your CampMinder account. Day Camps by Community confirmations will be emailed by the volunteer camp directors two weeks before the camp session begins.

Volunteers Needed

Day Camps by Community are led entirely by volunteers and trained teens who are dedicated to engaging their local community and providing the best outdoor experiences for local Girl Scouts!

These volunteers include YOU!

Many Day Camps by Community need an adult from each family to register to volunteer for one day before they can register their camper(s). This makes sure that there will be enough adult coverage provided for all campers. Campers will be placed on a waitlist until an adult is registered. Adults must be a currently registered Girl Scout and have a current background check.

Day Camps by Community

Day Camp: Let's Play!

Join us for a summer adventure inspired by our theme - *Let's Play!* Our Girl Scout volunteers and teens are ready to ignite your curiosity as you take part in this beloved summer tradition. Keep cool with water fun, explore nature, get creative with art projects, and challenge yourself as you learn new outdoor skills. In our girl-led environment, you'll feel comfortable trying new things and empowered to take the lead.

Day Camps are held for five days at Camp Alice Chester, Camp Silver Brook, Chinook Program Center, or Trefoil Oaks Program Center for communities throughout southeastern Wisconsin. Each is run by adult volunteers and led by teens who are committed to providing local Girl Scouts the best outdoor experience.

What new skills will campers learn?

Camp activities are age-based and progressive. This means that younger campers start off with easier and more manageable versions of certain camp activities like outdoor skills, archery, and boating. Progressive activities give campers an opportunity to build up their skills and confidence before aging into more challenging activities.

An example of our skill progression: To teach targeting skills, Girl Scout Daisies or Brownies may learn how to use sling shots, Girl Scout Brownies or Juniors may learn how to target the bullseye with bows and arrows, and older Girl Scouts may perfect their skills with hatchet throwing.

Day Camps by Community

Volunteers Make Day Camps by Community Possible

Adults from each family network are needed to volunteer one (or more!) days

Day Camps by Community are volunteer-led - and that means you! For each day of camp, one adult is needed for every five to eight campers to follow camper to adult ratio. **That means adults from each family and/or troop are needed to volunteer one or more days to create the best camp experience.** For some camps, your camper will be placed on a waitlist until the family has registered one adult volunteer or the troop has provided enough volunteer coverage for the number of Girl Scouts attending from that troop.

Why Girl Scout membership is important!

We do ask all of our day camp volunteers to become members as we are a membership organization. Membership dollars go towards GSUSA and help with the development of girl-led curriculum, research, and programs. Membership also goes toward the cost of insurance. There is no cost for the background check; the council covers the fee. We never want finances to be a barrier to becoming a member, so we do have assistance available if that should be a concern. However, it is difficult to provide relevant programming for girls for free.

We (and the girls) appreciate all of our volunteers like you and we know you are an integral part of Girl Scouts. We hope you will continue to support the movement.

How to Register to Volunteer

Step 1: Register as a member of Girl Scouts at www.gswise.org and complete an online background check.

Step 2: Register for the camp session your camper will attend. Go to www.gswise.org/summercamp.

Adults who are not already a registered member will need to pay the \$25 membership fee. The membership is good through September 30, 2024 and includes your background check and Girl Scout insurance while participating at camp, in events, or with your troop.

What does my day look like when I volunteer?

Show up ready for fun! You will be assigned to be part of a unit or at an activity station with other adults, CITs, and PAs. You will be given a schedule, map of camp, and resource binder. The CITs and PAs know their way around camp and will help lead activities and get you where you need to be.

Your time will be spent:

- helping your unit prepare their lunch, when cooking over a fire (we have online and in-person outdoor cooking training and the PAs/CITs can assist with this)
- finding activities for your unit to do during free time (some camps have pre-assembled activity kits and the the day camp manual each unit or adult gets has free-time activities listed)
- assisting campers in getting to activities on-time
- making sure everyone is included
- helping campers make new friends
- encouraging campers as they try new activities

You don't need to be an experienced camper—your role will help campers enjoy camp, have fun, explore freely, and discover new possibilities. And of course, we want you to have fun too!

All camps offer an orientation for volunteers. We want to make sure you feel comfortable when you are at camp and we will answer all of your questions before your camp begins.

Troop leaders: volunteering gives you a chance to learn new skills to use with your troop during the school year. Plus, you'll learn lots of songs, games, and skills the Girl Scouts can enjoy at troop meetings.

Caregivers and family members: volunteering gives you special time with your camper to watch their independence and skills soar to new heights.

Teen Girl Scouts encourage younger campers to get out of their comfort zones and try new things. We'll give you the training you need to become a role model for younger Girl Scouts.

Bonus: You can earn 35+ service hours in one week! Girl Scouts can also work towards or earn the Program Aide pin or Community Service to Girl Scouting bar by volunteering at Girl Scout summer camp.

How you will help:

Program Aide-in-Training (PAIT)

Girl Scouts in grade 6: See what being a PA is all about as you shadow the Program Aides and try leading younger campers in activities. PAITs pay camper fee.

Program Aide (PA)

Girl Scouts in grades 7–8: Lead younger campers as you become a leader. Work with an adult mentor to fine-tune your skills.

Counselor-in-Training (CIT)

Girl Scouts in grades 9–12: Master your skills by leading activities or a unit.

PAs and CITs do not pay the session fee, but do pay a fee for any overnights/late nights.

- Step 2: Register for your camp session at www.gswise.org/summercamp beginning November 15 at Noon.
- Step 3: Attend PA core training or CIT training if you haven't already.
- Step 4: Attend camp training.

GSWISE Day Camp

Let's Celebrate 100 years of Camp!

Camp Alice Chester is celebrating 100 years of summer camp in 2024. Sessions at GSWISE Day Camp in East Troy are five days and focused on five themes: Arts & Crafts, STEM, Nature, First Aid, and Sports and Games—a great opportunity to explore new interests! Our trained staff will guide your campers in engaging activities with hands-on learning. In addition to the five themes each week, we will celebrate 100 years of camping with a birthday party and games and activities from the past.

Campers will build their courage and confidence while making new friendships with Girl Scouts who share similar interests. You can now seek challenges with our badge-centered programming!

Badges reflect and celebrate the growth of Girl Scouts and are a great way to explore interests, learn new skills, and show the world what you've accomplished. You may also earn other badges or portions of other badges.

Within each weekly theme, activities become more challenging as you get older. In addition to earning badges, camp traditions (swimming, boating, target sports, hiking, songs and games, outdoor cooking, and climbing the rock wall) will be part of every camper's experience.

Campers are supported by our fully trained staff whose focus is making sure each camper has the best experience possible. Staff are trained to help Girl Scouts challenge themselves as they try new activities, expand their friendship circles, and become active members of the camp community.

Flexible pricing

Our Summer Camp opportunities are subsidized by Girl Scouts of Wisconsin Southeast. This means that the full cost of providing camp programs and operating camp is greater than the fee charged for participation. For each session, there are two pricing options:

Tier 1 reflects 75% of the actual cost of operating camp per camper. The prices listed for Tier 2 reflect the registration fees by registration discount deadline: by December 20, from December 21 - March 1, and March 2 and on.

Tier 2 reflects the actual cost of operating camp per camper.

Select the fee that is appropriate for your family. Flexible pricing will not affect the quality of your experience at camp. The goal of flexible pricing options is to provide the highest quality programs that serve all campers, regardless of your family's financial situation, and to preserve camp for generations to come.

Fee includes a T-shirt, patch, programming, and all meals/snacks.

Financial Assistance Available

If the cost of camp remains beyond your financial capacity, we invite you to apply for financial assistance. Please pay the required minimum deposit and request financial assistance in CampMinder. You will receive a form via email that you must complete to process your request. We treat all requests with the strictest of confidence.
