February-May 2024

Who can volunteer?

Program Aides

Girls entering grades 6-12

Have fun, strengthen your leadership skills, and meet new friends while working directly with younger girls. There are no registration fees for events when Program Aides register to assist, and you will need to be at least two years older than the girls you are working with. You may want to consider attending Program Aide Training (encouraged but not required). Training gives you hints and tips for working with younger Girl Scouts.

Adult Volunteers

Share your passion, have fun, and positively impact girls' lives. Activities are already created, and materials are provided. Some events may require a specific skill, such as outdoor cooking, but most require no prior knowledge. Come learn a new skill with us!

How can I sign up?

All Program Aides must be registered Girl Scouts. Adult volunteers working directly with Girl Scouts must be a registered member and complete a background check. To volunteer or receive more information, email customercare@gswise.org or call 800-565-4475 and ask for volunteer opportunities or follow the registration link in the listing when applicable.

Be a part of the excitement as you help Girl Scouts lead, laugh, and learn. Adult and teen volunteers are needed to assist with a variety of activities including council events, service unit events, camp, recruitment events, trainings, and more! Volunteering is very flexible. Read the session descriptions listed inside and pick the topics, dates, and number of volunteer opportunities that fit your passion and schedule!

Outdoor Journey Jumpstart

Grades 4-12

Join us this spring to get a jumpstart on your Outdoor Girl Scout Journey! Dig deeper into your interests and use what you learn along the way to make a difference in your community. Completing a Journey is also the first step for earning your Bronze Award (grades 4-5), Silver Award (grades 6-8), or Gold Award (grades 9-12), and we can help you get started!

Girl Scouts will divide up by grade level to complete a variety of activities to earn the first badge in their Journey. Troop leaders will facilitate activities with their troop under the guidance of program staff and volunteers. Girl Scouts will also receive a program kit with all the materials and activity directions they need to complete the second and third badges in the Journey on their own with the support of their troop leaders or parents/guardians. While the Girl Scouts are completing their activities, a mini adult enrichment session offered during the event will help set up adults for success in supporting their Girl Scouts in next steps.

Starter Troops are facilitator/volunteer-run troops with the goal of transitioning to a volunteer-led troop. Starter Troops typically meet for 4-6 meetings over a span of 4-6 weeks before transitioning to volunteer leadership. Girls who are interested in becoming Girl Scouts attend Starter Troop meetings with a parent/guardian. Dates and times are flexible and dependent on facilitator/volunteer availability. Curriculum is provided. Contact Customer Care at customercare@gswise.org for more information.
